

How to make a contribution change for OSGP

You need to either call 1-800-365-8494 or log into the web site at growyourtomorrow.com and under see your savings click on log in to your account. This will bring you to the log in page.

IRS regulations require: that contribution elections be made prior to the month in which amounts are contributed. So it can take up to one pay period for a change to be reflected in your paycheck. So plan ahead

When you change your contribution, be sure to review your paystub to confirm the changes you requested have been made. If you do not see the contribution change contact the Salem OSGP office at osgpcustsvc.PERS@state.or.us

Be sure to monitor your OSGP account so your contributions do not exceed the IRS annual limits
