

## **An Important Update**

### **Retirement plan loan origination fees temporarily waived**

To help your employees through this difficult period, TIAA is waiving origination fees on all new retirement plan loans (RPLs) between May 1, 2020, and September 22, 2020. Please note that the annual loan maintenance fee of \$25 will continue to apply.

Effective September 23, 2020, the standard origination fee, generally \$50 for general purpose loans and \$75 for primary residence loans, will be reinstated.

**TIAA is here to help**
